The Big Draw

On Monday 20th November, 60 children from Year 5 and Year 6 participated in 'The Big Draw'. They spent the afternoon at The University of Hertfordshire and had a wonderful time watching Upswing who are ariel artists performing, before drawing them in their various poses.

The children behaved impeccably and were a real credit to Eversley. We are very proud of you all and you produced some excellent art as a result of your focus and determination, well done! (Mrs Whitehouse)

Road Safety Assembly

This week was Road Safety Week and today Eversley had a Road Safety Officer from Enfield Borough come to deliver two assemblies along with some of our Junior Travel Ambassadors.

Firstly they delivered their road safety assembly to Reception, year 1 and year 3. It was Reception's first assembly and they were brilliant!

The children were taught 'The Green Cross Code', the importance of wearing a seatbelt in a vehicle, a helmet on a bike or scooter; as well as sitting on a booster seat if they are under 135cm tall. They then delivered this assembly to Key Stage 2.

They also chose a teacher to be 'dressed up' in fluorescent clothing and discussed the importance of wearing reflective and fluorescent clothing to be bright and be seen. Thank you to Miss Malone and Mr Robotham for being great sports!

All children were given a 'THINK' road safety rainbow pencil from Enfield Council today which we thank them for. (Mrs Knight)

On Friday 10th November Eversley entered the B teams cross country event held at Forty Hall.
We entered a team of 6 girls and 6 boys, everyone ran exceptionally and we were really pleased to see Mia (yr5) come in first place in the girls race and Callum (yr6) come in 2nd place for the boys.
It is a team event and all runners' points are added up and we are delighted to say that the girl's team came in overall 2nd place and were awarded silver medals.
The boys team came in 1st and were awarded gold medals as well as a trophy!
Well done to all who ran and represented Eversley you were a credit to our school, thank you to all the parents who supported us and took muddy children in their cars! (Mrs Knight)

Cookery Club – January 2018

For ages 6 and up. The children will learn simple cooking skills, and cook a variety of interesting dishes with me each week. We will cover all the different food groups. They will learn about ingredients, and how to cook easy, healthy food. I currently teach in a number of schools in North London – where my lessons are popular and oversubscribed. I also run my own cookery school for adults. The lessons for the children will take place on Wednesdays (for beginners) after school, in the Training Room, Mondays (for level 1), and Thursdays (for level 2) also after school, and in the Training Room. All equipment and ingredients provided. There are only 10 places available in each class.

Cost is £12 per lesson. Please register your interest with Samina at si.remote@gmail.com as soon as possible.
