

12th July 2024 (36)

Dear Parents and Carers,

I hope you are all having a lovely week.

Year 6 Production – Alice in Wonderland

Congratulations to Year 6 who put on the most amazing production of Alice in Wonderland this week. The children looked wonderful in their costumes and make up! The acting, singing and dancing was fantastic and every child should be proud of their achievements.

Thank you to all the Year 6 team who worked hard to put the production together and make such great set designs.

Tonight, Year 6 will have their leavers party that has been organised by a team of Year 6 parents. Thank you to everyone involved for making this possible.

Summer Fete – Bounce Mania!

I am looking forward to seeing everyone at the Summer Fete on Sunday between 12-4.00pm. There are some amazing raffle prizes, including a brand new bike, which has been donated by Oakwood Park Café. They have also given the school two additional bikes to auction!

Congratulations to Emilio (2N) who is the winner of the EPSA brochure competition. He designed a beautiful cover, which has lovely pictures, is bright and eye catching! You will all get a chance to see the design of the Eversley Bounce Mania Fete 2024 brochure on Sunday.

Emilio will also receive his prize on Sunday. Well done Emilio!

It is going to be a lovely day and the sun will be shining, so looking forward to seeing you all then.

Year 4 Residential

Year 4 have had a lovely night away at 'Phasels Wood Activity Centre' and have had two great days participating in various activities. They had fun sleeping in large tents with their friends and toasting marshmallows on the fire.

Thank you to Mrs Knight, Mrs Stokes, Miss Eletheriou, Mrs Evans, Mr Halloran, Susan, Semra, Joe and Jordan for giving up their own time to be with the children.

I think they all had a late night, so will sleep well this weekend.

Have a lovely weekend and let's hope that England win on Sunday and bring the cup home!

Best wishes,

Samantha Williams

Summer Reading Challenge

This year's Challenge theme, **Marvellous Makers**, is all about creativity including; dance, drawing, junk modelling and music.

How does the challenge work?

Children will be able to find new reads linked to their favourite creative arts, and access free activities at their [local library](#) where they will be given a special folder, stickers and other special incentives. Or to take part in the challenge online, they can set a reading goal and log books on their profile. When they reach their goal, they will unlock a virtual badge and certificate.

Have a fun summer of marvellous making and reading!

Eversley Choir

Eversley choir took part in a Music Festival morning at Grange Park School this week. All the schools sung The Green Grass grew Around, Dreams across the Ocean, Ya Ya Ya Yamala and Lifeline. Each school performed solo items and Eversley sung 'Sing' by Gary Barlow and Andrew Lloyd Webber. All the accompanying adults thought that our performance was the best of the morning! I am incredibly proud of their singing, standard and dedication to coming to choir every Tuesday lunchtime. I look forward to leading the choir next year - new members are always welcome!

Year 5 Imagine a Story

A big well done to year 5 who have all taken part in the Imagine a Story project. They had written 2 chapters for a book called Snorehampton Goes Splat. The book has been published alongside the children's names. Year 5 were lucky to meet the author (Lisette Auton) and illustrator (Chante Timothy) yesterday at the Southbank Centre, where their chapters were read out.

Another well done to Megan and Krish who were our school representatives and were very brave to go up and introduce our school. A huge thank you to all the parents and adults that helped us on the trip.

Our value for the month of July is

Independence

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). If the attendance drops below 95%, this could potentially affect any future Ofsted judgement, as well as children missing vital learning which reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 95.64%

Cookery Club – Autumn term 2024

For ages 5 and up. The children will learn simple cooking skills, and cook a variety of interesting dishes each week. We will cover all the different food groups. They will learn about ingredients, and how to cook easy, healthy food.

My cooking classes run in a number of schools in North London – where my lessons are popular and oversubscribed. I also run my own cookery school for adults and teach cooking to vulnerable families as part of HomeStart charity.

Cookery club will run on Tuesdays and Fridays, after school, in the Training Room. All equipment and ingredients provided.

Cost is £14 per lesson.

Please register your interest with Samina at si.remote@gmail.com as soon as possible.
