So he wouldn't be stuck in the palace and so he could see the world.

Scared because he saw 1 man dying, 1 old man and 1 sick.

No, because I would want to leave all of my money because I would not want to start all over again.

Use the lines on the back cover to write a blurb to give your reader a taster. You can also design the spine with a title and author name. Don't forget to give your book a star rating!

A man had two sons. One of the sons was given a lot of money and wasted it all on things that were not important. He came back to his father poor because he had used all of his money. I chose quote 3 because even though they might hurt you no one deserves to be treated wrong.

I think it means that everyone has good inside them and that you shoulda't hurt them so they won't hurt you.

This is a challenge for ~~it~~ some people because some people do something really bad and you can't control you temper so it is really ~~bad~~ hard for some people to stick to.

2. Be honest and tell the truth
3. D. to other people what you would like the to do to you
4. Be rational

L/O ✓

I ranked the rules like this because if you don't use your minds you can do reckless things. Be honest because if you lie it will always get found out so their is no point. Be rational got put last because it falls under the 3rd rank.

To be a good role-model you have to work hard. Whereas, a bad one is when you don't. Role-models are important because they lead you through things and have a good personality. WALT: build up understanding of the concepts of honesty, fairness, justice generosity, forgiveness and ~~free choice~~ choice through speaking and listening and drama work

Justice
Forgiveness
Freedom
Fairness

I think justice is the most important because if justice wasn't given, dangerous people would be roaming on the st~~r~~eets. Forgiveness is second most important as if nobody was forgiven people would hate each other. Freedom is next on the list because then the slavery trade would still be going on. I put fairness last because life isn't fair, it will throw things at you so you need to stay on your seat and persivere.

WALT: other significant people such as Ali, the 12 Imams and Alevi pir
