17th April 2026

Dear parents/carers,

Welcome back! We hope you all had a restful and chocolate-filled Easter break. It has been wonderful to see the children return with such energy and enthusiasm as we dive into the summer term.

Value of the Month: Fairness

This month, our school focus is on **Fairness**. We are talking to the children about what it means to be truly fair— it's not always about everyone getting the *same* thing, but everyone getting what they *need* to succeed. In the classroom and on the playground, we are encouraging the students to think about inclusion, following rules, and treating others with kindness.

Year 5: A French Adventure

It has been an incredibly exciting week for our Year 5 cohort , who have spent the last three days on our residential trip to **France**. From practicing their language skills in local markets to exploring historical landmarks, the children have been fantastic ambassadors for our school.

A massive **thank you** to the staff members who gave up their time away from their own families to accompany the children. Without your dedication and late-night "room checks," these life-changing experiences simply wouldn't be possible!

Year 5: French Culture at Home 🎨

Back at school, the rest of Year 5 certainly didn't miss out on the "joie de vivre!" They have had a brilliant week immersed in French culture through a variety of hands-on activities. Highlights included:

- **Fine Art:** Recreating iconic masterpieces by famous French artists.
- **Sport:** Competitive rounds of **Pétanque** on the playground.
- **Design Technology:** Building impressive 3D models of the **Eiffel Tower**.
- **The French Café:** Hosting a delightful café where they practiced ordering "un croissant, s'il vous plaît!" in their best accents.

Inspiration in Assembly: Running for a Cause 🏃‍♂️

On Wednesday, we were honored to welcome Allan to our assembly. Allan shared his inspirational journey of training for the **London Marathon**, which he will be running as an official pacemaker for the charity Water Aid.

His talk perfectly illustrated our school values of **Determination** and **Resilience**. He spoke about the grit required to keep running when your legs are tired and the mental strength needed to help *others* reach their goals. It was a powerful reminder that we can achieve great things when we refuse to give up.

Get Active: Junior Park Run 🌳

Inspired by Allan's visit? We would love to see our pupils getting active in the fresh air! Don't forget that children (and parents!) are invited to join their **local Park Run every Sunday morning (**https://www.parkrun.org.uk/enfieldtown-juniors/**)**. It is a fantastic, pressure-free way to build fitness and enjoy our local community spaces.

Wishing you a wonderful weekend,

Best Wishes

Jo Heiler
Assistant Headteacher

Well Done

We are pleased to share that Dilşâd (Beech), had her hair cut for the very first time over the Easter holiday which she has donated to The Little Princess Trust, a charity that makes and provides wigs for children and young people who have lost their own hair through cancer treatment and other conditions.

With the kind support/donations from some of her classmates and others, Dilşâd raised just under £1,000 for the charity. We are very proud of Dilşâd.

If anyone would like to contribute to this worthy cause, please find below a link below to Dilşâd's fundraising page.

Artemis Rocket Launch

A couple of our children, Kai (Birch) and Zain (Ash), were lucky enough to watch the Artemis rocket launch in Florida recently and found it really fascinating! Please see photos below.

Birthday Book Donations

We would like to wish

Eric C (Wren)

a very Happy Birthday and thank you for donating a birthday book to your class

---

Our value for the month of April is **Fairness**

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 95.9%
