8th May 2026

Dear Parents and Carers,

Next week, the Year 6 children will be taking their SATs. Below is my message for all of the children:

Dear Year 6,

This is your moment to show how much you've learned and how far you've come. Your SATs are important, but they do not measure your kindness, creativity, sense of humour, determination, or the amazing person you are becoming.

Next week, we want you to do your best and believe in yourself. Every question is simply a chance to show what you know. Take your time, read carefully, and keep going even if something feels tricky. Remember all of our Eversley Values, including self-belief, determination and perseverance.

You have already achieved so much just by reaching this point. Be proud of your hard work, support each other, and walk into each test with confidence. We are all incredibly proud of you.

Good luck, Year 6 — you've got this!

Sir David Attenborough 100th Birthday!

This week, we celebrated Sir David Attenborough's 100th birthday. The children learned about the incredible impact he has had on the world, including some of the amazing programmes he has created about nature and animals. They were even able to watch an episode in class.

Today, the children joined an online live assembly to celebrate his life and legacy on his 100th birthday.

Skipping Challenge

On Wednesday 29th April, the entire school came together to vote on who they believed was the top skipping champion. Each child received a ballot paper to cast their vote, which Year 6 children collected and counted. Congratulations to all the finalists who received a new skipping rope. A special congratulations to Yann in Year 3, who was voted the overall winner!

Well Done!

On Saturday 25th April, Tilly (Maple) was selected to run for Enfield in the London Mini Marathon 2.6km Borough Challenge 2026. It was an early start, but Tilly performed really well finishing 3rd for Enfield in the under 12 age group with a time of 10.58.

We are really proud of you Tilly!

I hope you have a lovely weekend.

Kind regards,

Samantha Williams

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96%
