Dear Parents and Carers, 15th May 2026

I hope everyone is having a lovely week and looking forward to warmer weather next week.

Congratulations Year 6!

This week, Year 6 sat their SATs tests. We were all incredibly proud of how they conducted themselves and confidently approached each test, demonstrating many Eversley Values, including self-belief, determination and perseverance.

Thank you to the Year 6 team, who have worked incredibly hard to ensure that the children had the skills and knowledge needed to achieve their best outcomes, while also maintaining the children's wellbeing throughout the process.

The Year 6 children now have many exciting events to look forward to, including the Year 6 production, residential trip, transitions to secondary school, and a fun day at the park today!

Walk to School Week

Next week, we will be taking part in **Walk to School Week 2026**. This national event encourages children and families to travel to school in active, healthy and environmentally friendly ways.

Walking, scooting or cycling to school helps children to stay active, develop independence and arrive at school ready to learn. It also helps to reduce traffic and pollution around the school site.

Throughout the week, children will be encouraged to make as many active journeys as possible. Even parking a little further away from school and walking the final part of the journey can make a big difference.

We would appreciate your support in encouraging your child to take part wherever possible. Please ensure that children travel safely, use designated crossing points and wear appropriate clothing and footwear for the weather.

Thank you for supporting this important initiative and helping us promote healthy lifestyles and care for our environment.

If you would like to share any photographs of your children travelling to school, please send them to the office and they can feature in next week's newsletter.

Smart Play- May Half Term Camp

Your children will have brought home flyers this week for the May half-term camp. If you would like any further information, please contact Smart Play.

Have a great weekend

Best wishes,

Samantha Williams
Headteacher

Year 5 Trip to the Tate Modern

Over the past two weeks, the three Year 5 classes have visited Tate Modern as part of our current Art unit on installation art. During the visit, the children had the exciting opportunity to see some of the installations we have been studying in class, as well as many other thought-provoking pieces of artwork that sparked lots of discussion and creative ideas.

The children took their art journals with them and spent time sketching the installations and other artwork that they found particularly inspiring. It was wonderful to see them observing so carefully, discussing their ideas, and responding creatively to the art around them. These sketches and notes will support the children as they continue to research, design, and eventually create their own installations back at school.

The trip also gave the children valuable experience travelling on the London Underground, as well as the chance to walk along the Thames and enjoy some of the famous sights of our capital city. It was a lovely opportunity for the children to experience London beyond the gallery itself and enjoy learning outside the classroom. The children represented the school brilliantly throughout the day and should be very proud of themselves.

A huge thank you to our parent helpers for giving up their time to support the trip — we could not have done it without you!

Well done to the pupils that received a Thank You Certificate for making Eversley a better place by demonstrating one of our Eversley Values

Thank You Certificates							
3 Elder	Keira	&	Lucas	4 Beech	Dida	&	Rayyan
3 Oak	Leon	&	Tarjun	4 Willow	Alper	&	Amelia
4 Yew	Ainoa	&	Leo L	5 Sycamore	Anna	&	Joel

Our value for the month of May is **Excellence**

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96%
