5th June 2026

Dear Parents and Carers,

I hope you all had a lovely half term.

Sustainability Meeting

On Tuesday, Eli (Eversley Prime Minister) and Azania (Environmental Cabinet Leader) met with Androulla (CEO Connect Educational Trust) and the other schools across the Trust to discuss what activities they had organised this year to support sustainability.

They both showed incredible enthusiasm when discussing what they and the cabinets had been involved in this year! Please see below the activities discussed.

Walk to School Week

During Walk to School Week, children made a fantastic effort to swap car journeys for walking, scooting, cycling, and park-and-stride options. Not only did this help reduce traffic and pollution around our school, but it also promoted healthy habits and positive wellbeing.

During the year the Environment Cabinet also organised a “Bling Up Your Bag!” Children decorated their school bags with reflective, bright, and eye-catching designs to encourage everyone to *walk safely and be seen*. The bags were brilliant and included recycled materials, reflective strips, and bold slogans reminding us all to care for our planet!

Choosing Greener Travel

As part of our learning about sustainable transport, Year 5 pupils explored why using trains and the underground can be a more environmentally friendly choice compared to individual car journeys. By understanding how public transport reduces carbon emissions and congestion, children are becoming thoughtful and informed travellers of the future.

Year 5 children have been on a few trips this year, which involved them walking to Oakwood Tube and travelling into London by train.

Visiting the ECO Park

Eversley Prime Minister (Eli), Deputy Prime Minister (Gabriel) and The Environmental Cabinet Lead (Azania) visited the local ECO Park was a real highlight. The children discovered what happens to our rubbish after it leaves our bins and learned about recycling, energy recovery, and the importance of reducing waste. Seeing sustainability in action helped bring classroom learning to life and inspired thoughtful discussions on their return to school about how we can all reduce, reuse and recycle more effectively.

The Big Switch Off & Earth Day

On Earth Day, our school took part in the Big Switch Off, turning off lights, screens, and unnecessary electrical equipment to reflect on our energy use for 1 hour. The children in the Environment Cabinet delivered an assembly to the whole school about simple everyday actions that can make a big difference, which may include switching off appliances, saving water, and reducing waste. During this day the children enjoyed taking their learning outside and took part in a skipping challenge!

As a school we also celebrated what would have been Sir David Attenborough's 100th birthday, reflecting on his lifelong dedication to protecting our planet and educating the world about the beauty and fragility of nature. His inspiring work encouraged pupils to think about how they too can make a positive difference.

Community Litter Pick with Friends of Oakwood Park

To mark Earth Day, Year 2 – Wren Class joined the wonderful Friends of Oakwood Park for a community litter pick. They went equipped with gloves, bags, and litter pickers. The children worked together to help tidy our local park clean and for the wildlife and visitors. It was lovely to see their sense of responsibility and pride in their community.

Sustainable Uniform Sale

Our second-hand uniform sale has continued to thrive, helping families save money while reducing textile waste. Reusing and recycling clothing is a powerful way to cut down on landfill and encourage sustainable habits. Thank you to everyone who donated and supported this important initiative.

Rehoming Plants from the Chelsea Flower Show

We were incredibly fortunate to have rehome a selection of beautiful plants following the Chelsea Flower Show. Are now being planted across our school, brightening up our outdoor spaces and supporting biodiversity. The Cabinet members will be helping to plant and care for them.

Let's all work together to make a difference!

Have a lovely weekend.

Best wishes,

Samantha Williams

Year One RAF Museum

On Thursday, 4th June, Year 1 enjoyed a fantastic trip to the Royal Air Force (RAF) Museum.

The adventure began with a fun, hands-on workshop where the children learned how aircraft fly, found out about all the different parts of planes and discovered how planes have changed over time. After, everyone headed out to explore the massive hangars. The children loved getting up close to giant historic planes and modern jets, spotting features like massive propellers and wings along the way. The trip linked perfectly with our History topic in which we learned all about the Wright brothers and the story of the first flight.

Our young aviators were an absolute credit to the school, showing great curiosity and brilliant behavior all day. A huge thank you to our wonderful parent volunteers who helped out. School trips truly couldn't happen without your support!

Forest School

This week we had our Year 6's last ever Forest School session. The children had time to reflect on their journey, celebrate their achievements and enjoy the space together before heading off to secondary school. It was a meaningful and memorable way to mark the end of their Forest School experience, and a wonderful celebration of growth, confidence and adventure.
The photos shows how much they enjoyed it!

Thank you to the children and the Year 6 team.

Well done to the pupils that received a Thank You Certificate for making Eversley a better place by demonstrating one of our Eversley Values

Thank You Certificates							
1 Owl	Harry	&	Mikail	3 Ash	Cinar	&	Isla
1 Robin	Ari	&	Mia	3 Elder	Stefano	&	Will
1 Swallow	Selena	&	Oscar	4 Yew	Hinika	&	Leo F
2 Dove	Angelina	&	Deniz	5 Sycamore	Gloria	&	Idris
2 Starling	Jake	&	Tobias				
2 Wren	Alf	&	Tara				

Birthday Book Donations

We would like to wish

Asher (Sycamore)
Filippo (Wren)

a very Happy Birthday and thank you for donating a birthday book to your class

Our value for the month of June is Generosity

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96%

Well Done!

On 24 May 2026, Alex Terziyski (Birch) and his teammates from AFC Southgate achieved a fantastic success by winning the Silver Cup at the APB Football Tournament.

Competing in the highly competitive Under-10 age group, the team faced strong opposition from 20 teams throughout the tournament. AFC Southgate showed great determination, skill, and teamwork, playing seven matches on their journey to the final.

The final provided a dramatic finish. Instead of being decided by penalties, the match moved to an exciting 2v2 format. Alex, the team captain, and the AFC Southgate goalkeeper were involved in a thrilling battle against their opponents. After a tense contest, Alex scored the decisive goal, securing victory and sending his teammates into celebration.

It was an unforgettable experience for all the boys as they proudly lifted the Silver Cup trophy, capping off a remarkable tournament performance. The achievement reflected the team's hard work, resilience, and excellent team spirit throughout the competition.

Congratulations Alex!

Ms Williams
