12th June 2026

Dear Parents and Carers,

We have had a very busy week at Eversley!

Year 1 Phonics Screening Checks

Congratulations to all the children in Year 1 who completed their Phonics Screening Check this week. The staff were really impressed with how well they did.

Thank you to all the Year 1 staff who have worked hard to adapt the curriculum and teaching approaches this year. It has certainly had a positive impact, which is reflected in the children's outcomes.

Year 4 Multiplication Tables Check

The Year 4 staff and children have worked incredibly hard this year learning their times tables. The team have found that having individual Chromebooks, has allowed the children to be able to practise regularly. A great resource that was bought by EPSA!

Mrs Knight has informed me that the children have all done very well. We do not yet know the percentage of children who have achieved the expected standard, but we are hopeful that it will be high!

Reception Play and Stay

This week, the new Reception children who will be starting in September visited the school for a Play and Stay session.

The children were engaged in all of the exciting activities that the team had prepared and thoroughly enjoyed exploring their new environment.

We are looking forward to welcoming them all in September.

Year 6 Manor Adventure

This week, 80 of our Year 6 children visited Manor Adventure.

They have had an amazing week, despite experiencing lots of rain and even a few thunderstorms!

During the week, they have taken part in many activities, including paddleboarding, raft building, canoeing, archery, rock climbing, caving, team games and much more.

I would like to thank all the staff who supported the children around the clock throughout the trip. This year, they have also provided daily photos and videos, which has been wonderful for families to see.

A special thank you to Mrs Georgiou, Miss Kilkenny, Ms Lauder, Miss Cunningham, Mrs Dovey, Susan, Donna and Amina.

Year 6 – Fun Activities in London

For those children who did not attend Manor Adventure, Mrs Zacharia, Mrs Gardner, Miss Boothby, Kathy, Paige, Alissa and Aya helped make it an extra special week.

They took the children to the cinema, crazy golf, bowling and Pizza Express, and they even took part in their own Great British Bake Off!

The children have had lots of fun, and the staff worked hard to ensure they enjoyed a memorable week.

EPSA Summer Fete

The Eversley Summer Fete is back!

We're excited to announce the return of one of the biggest and most anticipated events in our school calendar – the Eversley Summer Fete, taking place on Sunday 12 July 2026.

This year, we're delighted to once again be supported by our generous sponsors, Havilands Estates. As part of their sponsorship, they have kindly offered to donate £10 for every advertising board displayed in the local area to help promote the fete.

That means a simple "yes" from you could help raise valuable funds for our school!

We have 27 boards available, plus a few additional spaces around the school, giving us the potential to raise over £300 before the fete even begins.

We Need Your Help Quickly!

We are working to a very tight timeline, and Havilands needs sufficient time to produce and install the boards before the event. If you are happy to have a board displayed outside your home for approximately 3–4 weeks, please complete the ParentMail form by Monday 15 June 2026.

The process is quick, completely free and makes a genuine difference to the funds we can raise for our children.

Please don't delay. If demand exceeds the number of available boards, spaces will be allocated on a first-come, first-served basis, with the first 27 completed forms securing a board.

When completing the form, please remember to fill in the Comments/Special Instructions section, particularly if you have any preferences regarding where the board should (or should not) be placed (for example, not on a specific wall or fence).

Please be assured that your details will only be shared with the School Office, who will liaise directly with Havilands Estates to arrange installation.

I hope you all have a lovely weekend.

Best wishes,

Samantha Williams

Year 4 Henry Moore Foundation Trip

Our Year 4 students had a wonderful day out at the Henry Moore Foundation. The trip started with a guided tour, where the children looked at the massive bronze sculptures and learned how they were made. Afterward, they got to explore the large gardens and sketch the artwork. Sitting on the grass with their clipboards, the children really enjoyed drawing the different shapes of the statues from their own angles. It was a fun and creative day that brought their art lessons to life.

Year 5 Park Event

On Friday 5th June, Eversley took some Year 5 children to Oakwood park to participate in the annual park event hosted by the Enfield PE Team.
The children took part in a circuit of fun and inclusive multi-sports activities including: Football, Archery, Golf and Dance.

All of the children enjoyed the afternoon, especially because they got the chance to try some new sports for the first time. They were also good role models to some of the younger children there from another school.

Year 5 Sponsored Cook Along

This afternoon the whole of year 5 took part in a sponsored cook along in the junior hall. They demonstrated their wonderful DT skills chopping and preparing a rainbow salad.

Forest School

This week we welcomed year 2 to the site and after a quick reminder how to keep safe at forest school, we set out for an epic bug hunt. The weather was a bit of a mixed bag that day so we had to look quite hard for our minibeasts.
We all really enjoyed spending time outside and the children were very resilient as one minute it was pouring with rain and the next the sun was shining.

Our value for the month of June is Generosity

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96%
