19th June 2026

Dear Parents and Carers,

I hope you are all well and ready for the next heatwave!

E-Tips Champion School - Gold Award

Congratulations to Mrs Georgiou, Mrs Kirkpatrick and Mrs Gonzales who have supported staff and children in developing our understanding and practice on becoming a trauma informed school.
The Director of Education has recognised the work that we have done as a school, but also how the Deputy Headteachers have both supported other schools across Enfield.

This is a huge honour, as we are the only school in Enfield to receive this award!

Youth Sports Mark - Platinum Award

Congratulations to Miss Kilkenny, Miss Boothby, and Mr Halloran on helping the school achieve the Platinum Award!

The PE team works hard to ensure that the children of Eversley take part in a wide range of extra activities, including football matches and tournaments, cross-country events, dance festivals, athletics competitions, rugby events, netball league games, and much more.

They have also organised an amazing Sports Week, which the children thoroughly enjoyed. The week has included a variety of exciting activities. Two of my favourites have been the Mini Marathon, organised by the Sports & Wellbeing Cabinet and Sports Leaders, and Drumba, a unique activity that combines music and PE by having children play drums while exercising. The children absolutely loved it!

Visit from Ecole Primaire Joliot Curie

On Tuesday 9th June, Year 5 had the exciting opportunity to meet their French pen pals, with whom they have been corresponding throughout the year.

To celebrate the occasion, we held a mini concert, delighting one another with performances of songs in both French and English. Afterwards, the children eagerly met their pen pals in person for the first time, enjoying the chance to chat, make new friends, and learn more about one another.

The morning continued with a fantastic French lesson led by our visitors' teachers, followed by an English lesson in which our Year 5 pupils supported and worked alongside their French counterparts. It was wonderful to see the children communicating so confidently and putting into practice the French skills they have developed over the past three years in a real and meaningful context.

One of the highlights of the visit was seeing the children direct their own conversations during break and lunchtime, discovering shared interests and building genuine connections across languages and cultures.

The visit was an enormous success and a truly memorable experience for everyone involved. We were all sorry to say goodbye at the end of the morning! A huge thank you to the Year 5 staff, pupils, and our French visitors for making it such an enjoyable and rewarding occasion.

A huge thank you to Mrs Douglas-Saul who organised this event.

Congratulations - New Appointments!

Congratulations to Mrs Knight on her appointment as Deputy Headteacher and to Mrs Towli on her appointment as EYFS and KS1 Assistant Headteacher. They are both excellent appointments and will be fantastic in their new roles.

These will be interim appointments while Mrs Georgiou is seconded to Delta Primary School as Headteacher for the 2026–2027 academic year. We wish all three of them every success in their new positions.

Goodbye Mrs Killick

We would like to wish Mrs Killick all the very best as she begins her maternity leave at the end of this month.

We know you will join us in congratulating Mrs Killick on this exciting new chapter and in wishing her and her family happiness and good health. They will certainly all have many wonderful moments ahead.

We look forward to welcoming her back in the future.

Congratulations John and Joel!

Joel and John proudly represented their team at the APB Wingate Gold Cup Tournament on 6 June 2026, helping their team secure the Gold Cup after an outstanding performance throughout the competition.

Competing in the Under-10 division against eight teams, the boys displayed excellent football skills, teamwork, determination, and sportsmanship. The team won most of their matches and had only one draw, remaining unbeaten throughout the tournament. They stayed at the top of the standings and led the competition from start to finish.

The final was closely contested and was decided by a penalty shootout. Joel scored the winning penalty, securing victory and the Gold Cup for his team.

Joel and John have both developed tremendously under the guidance of Coach Bradley. Their growth, dedication, and confidence on the pitch were evident throughout the tournament and played an important role in the team's success.

Congratulations to Joel, John, Coach Bradley, and the entire team on winning the APB Wingate Gold Cup 2026.

Reception Scooter Day

This week, the children in Reception had an exciting Scooter Day, where they all brought their scooters to school. The children had a fantastic time developing their balance, co-ordination, and confidence while taking part in a range of fun activities. It was wonderful to see their enthusiasm and enjoyment throughout the day, and they all demonstrated excellent listening skills and safe scooter riding.

The Reception team and Sports & Wellbeing Cabinet wanted to raise the importance of walking, scootering or riding bikes to school instead of travelling by car.

Well done, Reception!

Congratulations Sophia!

At the start of June, Sophia competed in the London Region Artistic Swimming Championships 2026 and achieved fantastic results. She was part of the team that won **1st place**. She also competed in a duet with her team mate, Emma, and they were delighted to achieve **1st place** as well.

In addition, Sophia won a **silver medal** in the figure's competition, where she competed against 27 other girls from across the region.

We are incredibly proud of her achievements. She has worked extremely hard, shown great dedication to her training, and it is wonderful to see all her effort being rewarded.

I hope you all have a lovely weekend.

Best wishes,

Samantha Williams
Headteacher

Year 3 Visit to Celtic harmony

This week, year 3 visited Celtic Harmony as part of our Stone Age learning. The children took part in a range of exciting activities and explored what life was like during the Stone Age. We had a wonderful day, learned lots of new facts and throughly enjoyed the experience.

Another Exciting Week for Year 2 at Forest School

This week's theme was popcorn!

The children made popcorn bracelets using popcorn and some wire. Very carefully they had to thread the wire through the popcorn. They used their fine motor skills to workout the right amount of pressure to force the wire through the popcorn, as if too much the popcorn would disintegrate into crumbs.

They also planted some sweetcorn, the plant pots will stay in the classrooms on the windowsill and with some water and sunshine we're hoping they will germinate into plants, and sweet corn.

While all this was going on Susan was busy popping corn on the fire and we finished each session with a handful of newly popped popcorn.

Thanks again year 2, you were super enthusiastic and a joy to have on the forest school site.

Birthday Book Donations

We would like to wish

Harry (Owl)

a very Happy Birthday and thank you for donating a birthday book to your class

---

Our value for the month of June is Generosity

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 96%
