26th June 2026

Dear Parents and carers,

Thank you for your continued support during the heatwave.
The children and staff have been amazing and have adapted lessons to allow for the changes in temperature within the classrooms.

Summer Fete

The Summer fete is fast approaching and we are still in need of your help!
EPSA are also concerned that ticket sales for the wristbands, which provide access to the bouncy castles and petting zoo, have been lower than expected. These are our main attractions and significant costs have already been paid to secure them for the event. Please could you encourage other parents in your WhatsApp groups, as well as friends and neighbours, to purchase their wristbands before the fete.

Finally, each year EPSA spend a great deal of time putting together fantastic raffle hampers. These rely on donations from our parents to make these great prizes. If you have any unwanted gifts, new toys, or suitable items that you would be willing to donate, please send them into school.

All money raised is match-funded and in previous years we have raised an incredible £35,000 in a single day. These funds are invested directly back into the school, helping to provide resources, opportunities, and experiences that benefit all of our children.

Thank you in advance for your support. Together, we can make this year's Summer Fete another great success.

I hope you all manage to have a lovely weekend.

Best wishes,

Samantha Williams

Parking Considerately Around Our School

We have recently received a number of complaints from local residents regarding vehicles being parked across driveways during drop-off and pick-up times.

We kindly ask all parents and carers to park responsibly and courteously, ensuring that driveways are not blocked at any time. Even if you are only stopping for a few minutes, obstructing access can cause significant inconvenience for residents who may need to leave or return to their homes.

Please allow a little extra time to park safely and legally, even if this means parking slightly further away from the school and walking the remaining distance. This also helps to reduce congestion and improve safety for all children and families.

We value the positive relationships we have with our local community and appreciate your support in helping us maintain them.

Thank you for your cooperation and consideration.

Our value for the month of June is Generosity

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 95.9%
