3rd July 2026

Dear Parents and Carers,
As we approach the holidays, I felt it was important to update you with e-safety updates and how you can keep your child safe online during the summer holidays.

Online Safety Update for Parents – Keeping Children Safe This Summer

Recent developments in online safety mean that many websites, apps and games are introducing stronger measures to help protect children, including improved privacy settings, age checks and enhanced reporting tools. While these changes are designed to create safer online spaces, they work best alongside regular conversations between parents and children about staying safe online.

Here are some simple ways you can support your child this summer:

- **Talk regularly about online experiences.** Ask your child what they enjoy doing online, who they talk to and encourage them to tell you if anything makes them feel worried or uncomfortable.
- **Check privacy and safety settings.** Review the settings on games, apps and devices to ensure they are appropriate for your child's age.
- **Know the age ratings.** Many popular apps and games have minimum age requirements. These are there to help ensure children are using services designed for their stage of development.
- **Balance screen time.** Encourage a healthy mix of online and offline activities, including outdoor play, reading, family time and hobbies.
- **Keep devices in shared family spaces where possible.** This can help you stay aware of your child's online activity and provide opportunities for conversations.
- **Teach children to protect personal information.** Remind them never to share passwords, addresses, school names or other personal details with people they meet online.
- **Know how to report concerns.** Show your child how to block and report users if they encounter bullying, inappropriate content or unwanted contact.

There are many excellent free resources available to help families navigate the digital world, including guides from Childnet, Internet Matters and CEOP's Thinkuknow programme.

Have a lovely weekend and don’t forget next Sunday is our Summer Fete!

Best wishes,

Samantha Williams

Borough Athletics 2026

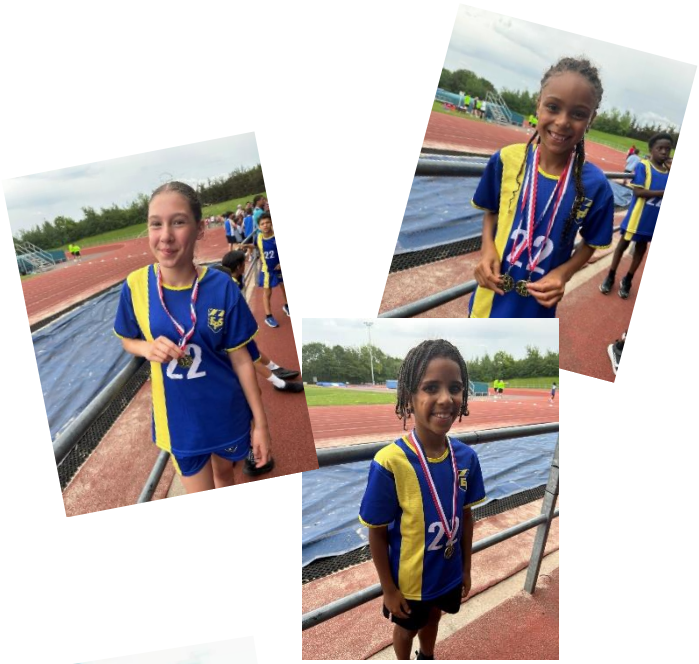
On Thursday 18th June, Eversley took the following children to Lee Valley Athletics Centre to compete in the annual Borough Athletics Championships.

Year 3 - Yann, Eli, Selin, Amelia
Year 4 - Rahul, Leo G, Laila, Arya
Year 5 - Johnny, Alex, Mustafa, Okan, Aleyna, Alana, Gloria, Tilly, Darcy
Year 6 - Kaan, Gabriel, Nicholas, Max, Annabel, Sophia B, Jessica, Dania

The children ran in various different races including, 600 metres, 150 metres, 80 metres, 60 metres, hurdles races and team relays.

This was the best performance from an Eversley athletics team with some outstanding performances throughout the afternoon.

Tilly finishing 2nd in the 600 metres
Sophia winning the 60 metre hurdles
Darcy winning the 60 metre hurdles
Mustafa finishing 2nd in the 60 metre hurdles
Laila finishing 2nd in the 50 metre hurdles
Rahul finishing 2nd in the 50 metre hurdles
Eli winning the 50 metre hurdles
Jessica finishing 2nd in the 150 metres
Aleyna finishing 2nd in the 150 metres
Gloria finishing 3rd in the 60 metres
Johnny finishing 3rd in the 60 metres
Annabel finishing 3rd in the 80 metres
Year 3 relay team finishing 2nd
Year 5 girls relay team finishing 1st



All of the children represented Eversley impeccably and can be extremely proud of their efforts and performances. They were cheered on by fantastic support from their parents throughout the afternoon.
Well done all!!

***Information on* streamling communication**

We are excited to inform you about an important update regarding our Parent Portal. As part of our efforts to streamline communication, we are moving from ParentMail, Magic Bookings, and ParentPay to one unified system.

Please take a moment to log in to the new Parent Portal for the very first time by visiting this link: https://eversley-primary-school.uk.arbor.education.

First Time Login Instructions:

1. Click on the login link above.

2. Click the “Forgot password?” link on the login page.

3. Enter the email address you have registered with the school.

4. Follow the instructions sent to your email to reset your password and access your account.

5. Once logged in, please check and confirm that your email address is correct to ensure we hold the correct information for when we send your child's report out by email. Please ensure any email updates are completed by next Wednesday.

6. If your email address has changed, please update it by clicking the arrow next to the current email address once you log in but we ask you kindly to not change other details yet. We will provide more information on the changes and when you can update your child's other details before the end of term.

If you encounter any issues while logging in, please do not hesitate to contact the school office for support.

Thank you for your cooperation and support as we transition to this new system.

We believe it will greatly enhance our communication with you!

Warm regards,

Eversley Primary School

Attendance

One of the areas the school is working hard to improve is the attendance of children at Eversley Primary School. The United Nation Convention on the rights of the child entitles them to a Right to Education (Article 28). Children missing vital learning reduces their chances of success. Please help us to continue the upward trend by ensuring your child comes to school every day and on time.

The overall school attendance to date is 95.8%

Parking Considerately Around Our School

We have recently received a number of complaints from local residents regarding vehicles being parked across driveways during drop-off and pick-up times.

We kindly ask all parents and carers to park responsibly and courteously, ensuring that driveways are not blocked at any time. Even if you are only stopping for a few minutes, obstructing access can cause significant inconvenience for residents who may need to leave or return to their homes.

Please allow a little extra time to park safely and legally, even if this means parking slightly further away from the school and walking the remaining distance. This also helps to reduce congestion and improve safety for all children and families.

We value the positive relationships we have with our local community and appreciate your support in helping us maintain them.

Thank you for your cooperation and consideration.
